Jennifer

Here are talking point papers for the 1/14 Ute Tribe consultation concerning the draft oil and gas FIP, the Deseret Bonanza power plant, and the proposed federal Clean Power Plan. These will be discussed at the Monday briefing for Deb Thomas, so Betsy is looking for the papers by noon tomorrow.

Thanks

Dee – I had some comments on the papers which are attached. I started to make updates to the FIP paper w/o track changes on – the only changes there were to spell out some of the acronyms. Then I got smarter and turned on the tracker! Let me know if you have any questions or want to discuss any of my comments/changes.

Thanks!
D

Hi Debra,

Happy New Year! As we chatted about last week, I am sending the attached documents in advance of the pre-brief meeting on 1-11-16 in preparation for the 1-14-16 Ute Tribe consultation. The attached papers cover the U&O FIP (continuing consultation) and Deseret (couple of update bullets). As far as the paper for CPP, Carl is going to talk to Debbie Jordan (OAR) today or tomorrow and get more clarity on HQ's goals for the CPP consultation. After that, we should have a better basis for moving forward with

talking points that we can send upstairs. We should hopefully get that to you later this week. Let me know if you have any questions.

Thanks,
Dee
